The screenshot displays a web application titled "Child Check In" with a light blue header and a white background. The interface is organized into several sections:

- Top Left:** A blue button labeled "Log Out".
- Top Center:** A grey header "Bilbo Baggins" above a Facebook profile picture and a video player showing a character shouting with the text "Noooooooooooooooooooo!!!" overlaid.
- Top Right:** A grey header "Date/Time" above a green box displaying "3/17/2015 2:45 PM". Below this is a grey header "Events" above a dropdown menu showing "Regular Childcare".
- Bottom Left:** A grey header "Registered Children" above a blue button labeled "Check In". Below the button is a large blue-bordered box containing a grid of child profiles:
  - Row 1: "smeagol" (with a Gollum image), "Tauriel" (with a Tauriel image), "First Last" (with a Gandalf image), and "Frodo Baggins" (with a Frodo Baggins image).
  - Row 2: "Gollum" (with a Gollum image), "Silvian" (with a Silvian image), and two empty slots.
- Bottom Right:** A grey header "Checked In Children" above a large empty blue-bordered box. A blue button labeled "Check Out" is positioned to the left of this box.

The application window includes standard Windows taskbar elements at the top and bottom, showing the title "Child Check In" and window control buttons.
